

President's Message

MELISSA
HICKS

I hope everyone is having a smooth busy season, although I am sure this one has been one for the records, considering the impact of the new tax bill.

I have recently made a move back to public accounting, but my focus

is on not-for-profits, which means my busy season is just beginning. Each of us may have different busy seasons, depending on the focus of our career, but we each need to be sure to take the time for ourselves. Be sure to take any time you can to reenergize and relax. Don't forget to get some shut eye as well. Here are some reminders/tips to stay healthy with our upcoming time crunches:

walk a bit further; or 3) consider purchasing a standing desk.

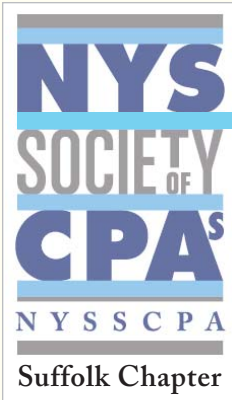

- **Eat Healthy and on Time** – Be sure to eat breakfast each and every day, keep hydrated and try to make time for lunch. Foods that are low in nutritional value and have too many calories can pose serious health problems, including weight gain, cardiovascular problems and diabetes. It is important to stick to a healthy diet and a strict routine.
- **Sleep is Important** – Sleep deprivation can lead to fatigue, confusion, memory lapses and irritability. Try creating a sleep schedule and sticking to it. Avoid watching TV or browsing the internet, as this can interfere with your sleep.
- **Schedule a Vacation** – Scheduling a vacation now will give you something to look forward to and will help you get through the next couple of months.

- **Integrate Activity into your Everyday Life** – If you have a hectic schedule, you can try to integrate some activity into your everyday life by 1) taking the stairs instead of the elevator; 2) parking in the back of the parking lot to force yourself to
